FOREWORD

The pathways through high school are memorable ones. We hope that through this book, we have portrayed a span of these pathways to the future upon which each of us travels.

Education is in itself a wide and heavily traveled pathway. There are many forks in this pathway—each leading to some goal set by those who are traveling upon it.

Just as some roads are unpaved, so are some pathways to success unpaved. There are many rough and threatening sections. However, if the goal is kept in view, all difficulties can be surmounted, and the pathway will have served its purpose of furnishing a means of guidance.

We are proud of our faculty members who are the guideposts along our pathway through high school. Without them our trek would be futile.

With all these things in mind, present to you the 1966 SPECTAT

The interest and concern of the people of this community for the students of Civic Memorial High School are evident in the chosen school board. These men, chosen to establish school policy, are of the highest caliber. Chosen are responsible representatives from all walks of life who work to provide Unit #8 with quality education. Managerial and financial responsibilities are only a small part of their job.

These men work quietly behind the scenes. They receive no recognition, only knowing that a job is well done. We Seniors, and the rest of the students at C.M., wish to extend our heartiest thanks to these men who helped to make our years here at C.M. worthwhile. We thank them for the excellence that they have brought to Civic Memorial High School.

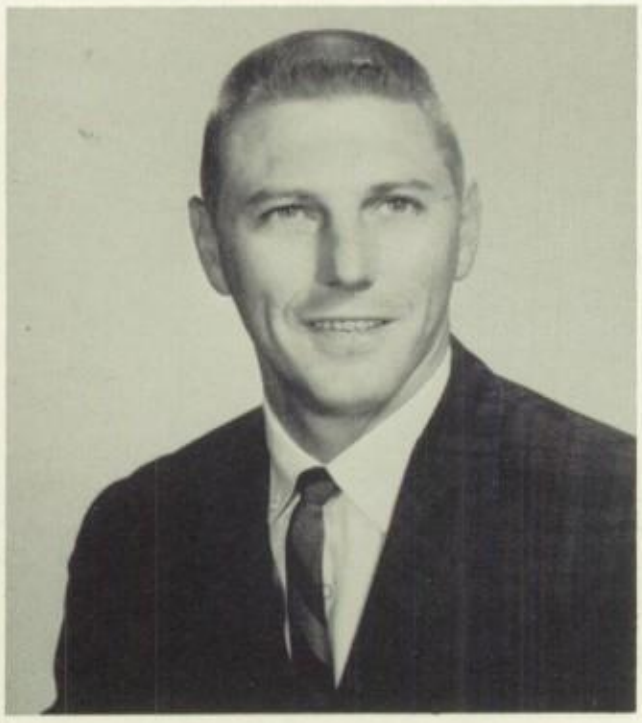
Driver's Education



MR. CAREY

MR. BLAND

MR. MAYES

Driver's Education at Civic Memorial includes thirty hours of classroom instruction, six hours of practice driving, and a time when the students can observe other student drivers from the back seat.

The general objectives of Civic Memorial's Driver's Education program are to help students understand driver's limitations and to compensate for any handicap they may have, to train students to be on the alert for the mistakes of other drivers, to teach students how a motor vehicle functions, and to help students develop the skills required for safe driving under all conditions.

The Driver's Education program is intended to give the pupils the knowledge, habits, skill, and most important, the attitudes necessary for the safe operation of motor vehicles.

English Department

The English Department deals with a great variety of content. It is the purpose of the work offered to help the student develop, to the best of his ability:

1. The habit of listening understandingly and critically.
2. The ability to read with profit and pleasure, and to develop a real appreciation of good writing.
3. Effective expression in speech and writing.

The effective use of his own language is a first essential to every student, whether bound for college, business, or home and community activities.

Science

The courses offered in the Science Department at Civic Memorial High are Biology I, Biology II (physiology and psychology), Chemistry and Physics. While the specific objectives are not the same for each course, the general objectives are the same. After accumulating facts and learning general principles, pupils use them to solve various situations. It is our hope that pupils who better understand the physical world will become more able citizens.

You guys wanna see my pet flea?

Industrial Arts Education is a phase of general education in our high school. The Industrial Art classes give students the opportunity to test their interest and ability in working with tools and materials typical of modern industry. It gives them valuable information about the industrial world so that they may choose their vocations more wisely.

The courses offered emphasize teaching students to use tools properly and to develop an understanding of the related principles of science and mathematics.

Business

The Business Education Department of C.M. endeavors to train and prepare students for careers in Secretarial, Clerical, Accounting, and Sales positions. It helps future college students to earn a part of their college expenses and make their college work easier. Business training gives the background for further training in business, automation teaching, and helps students understand the economy of the nation.

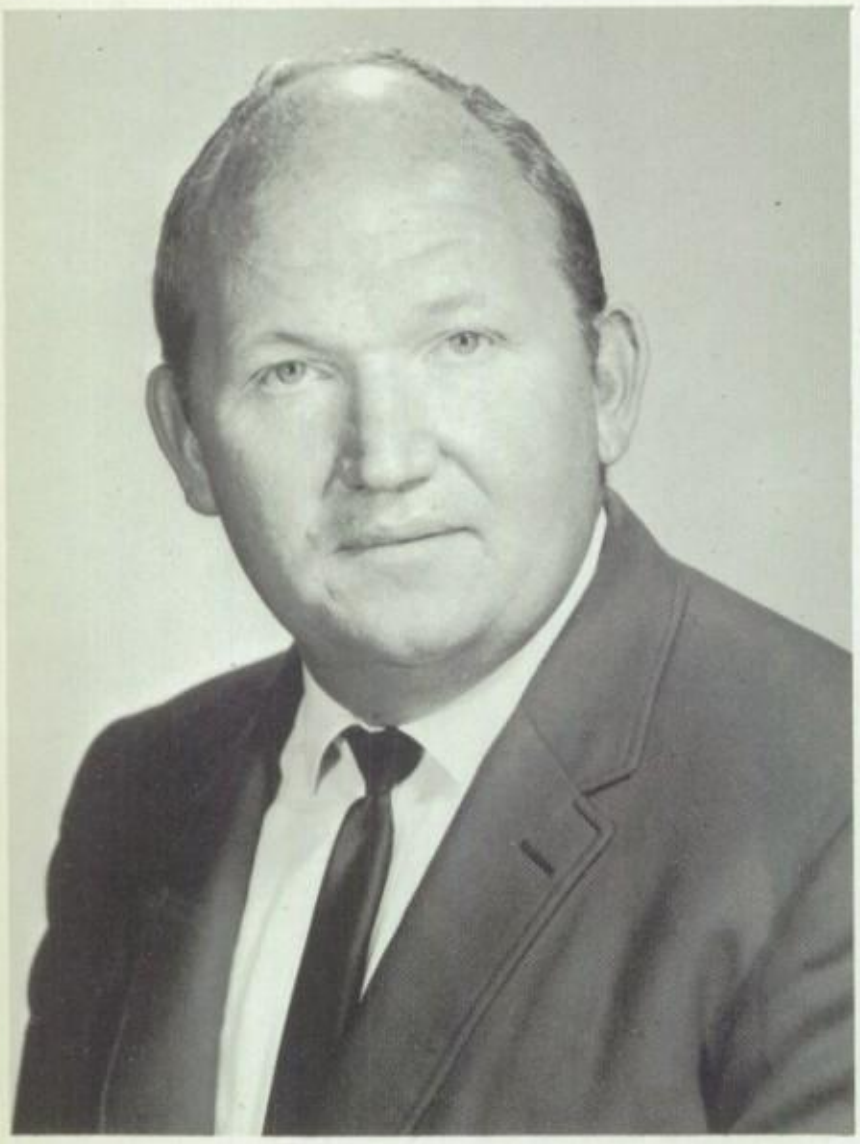
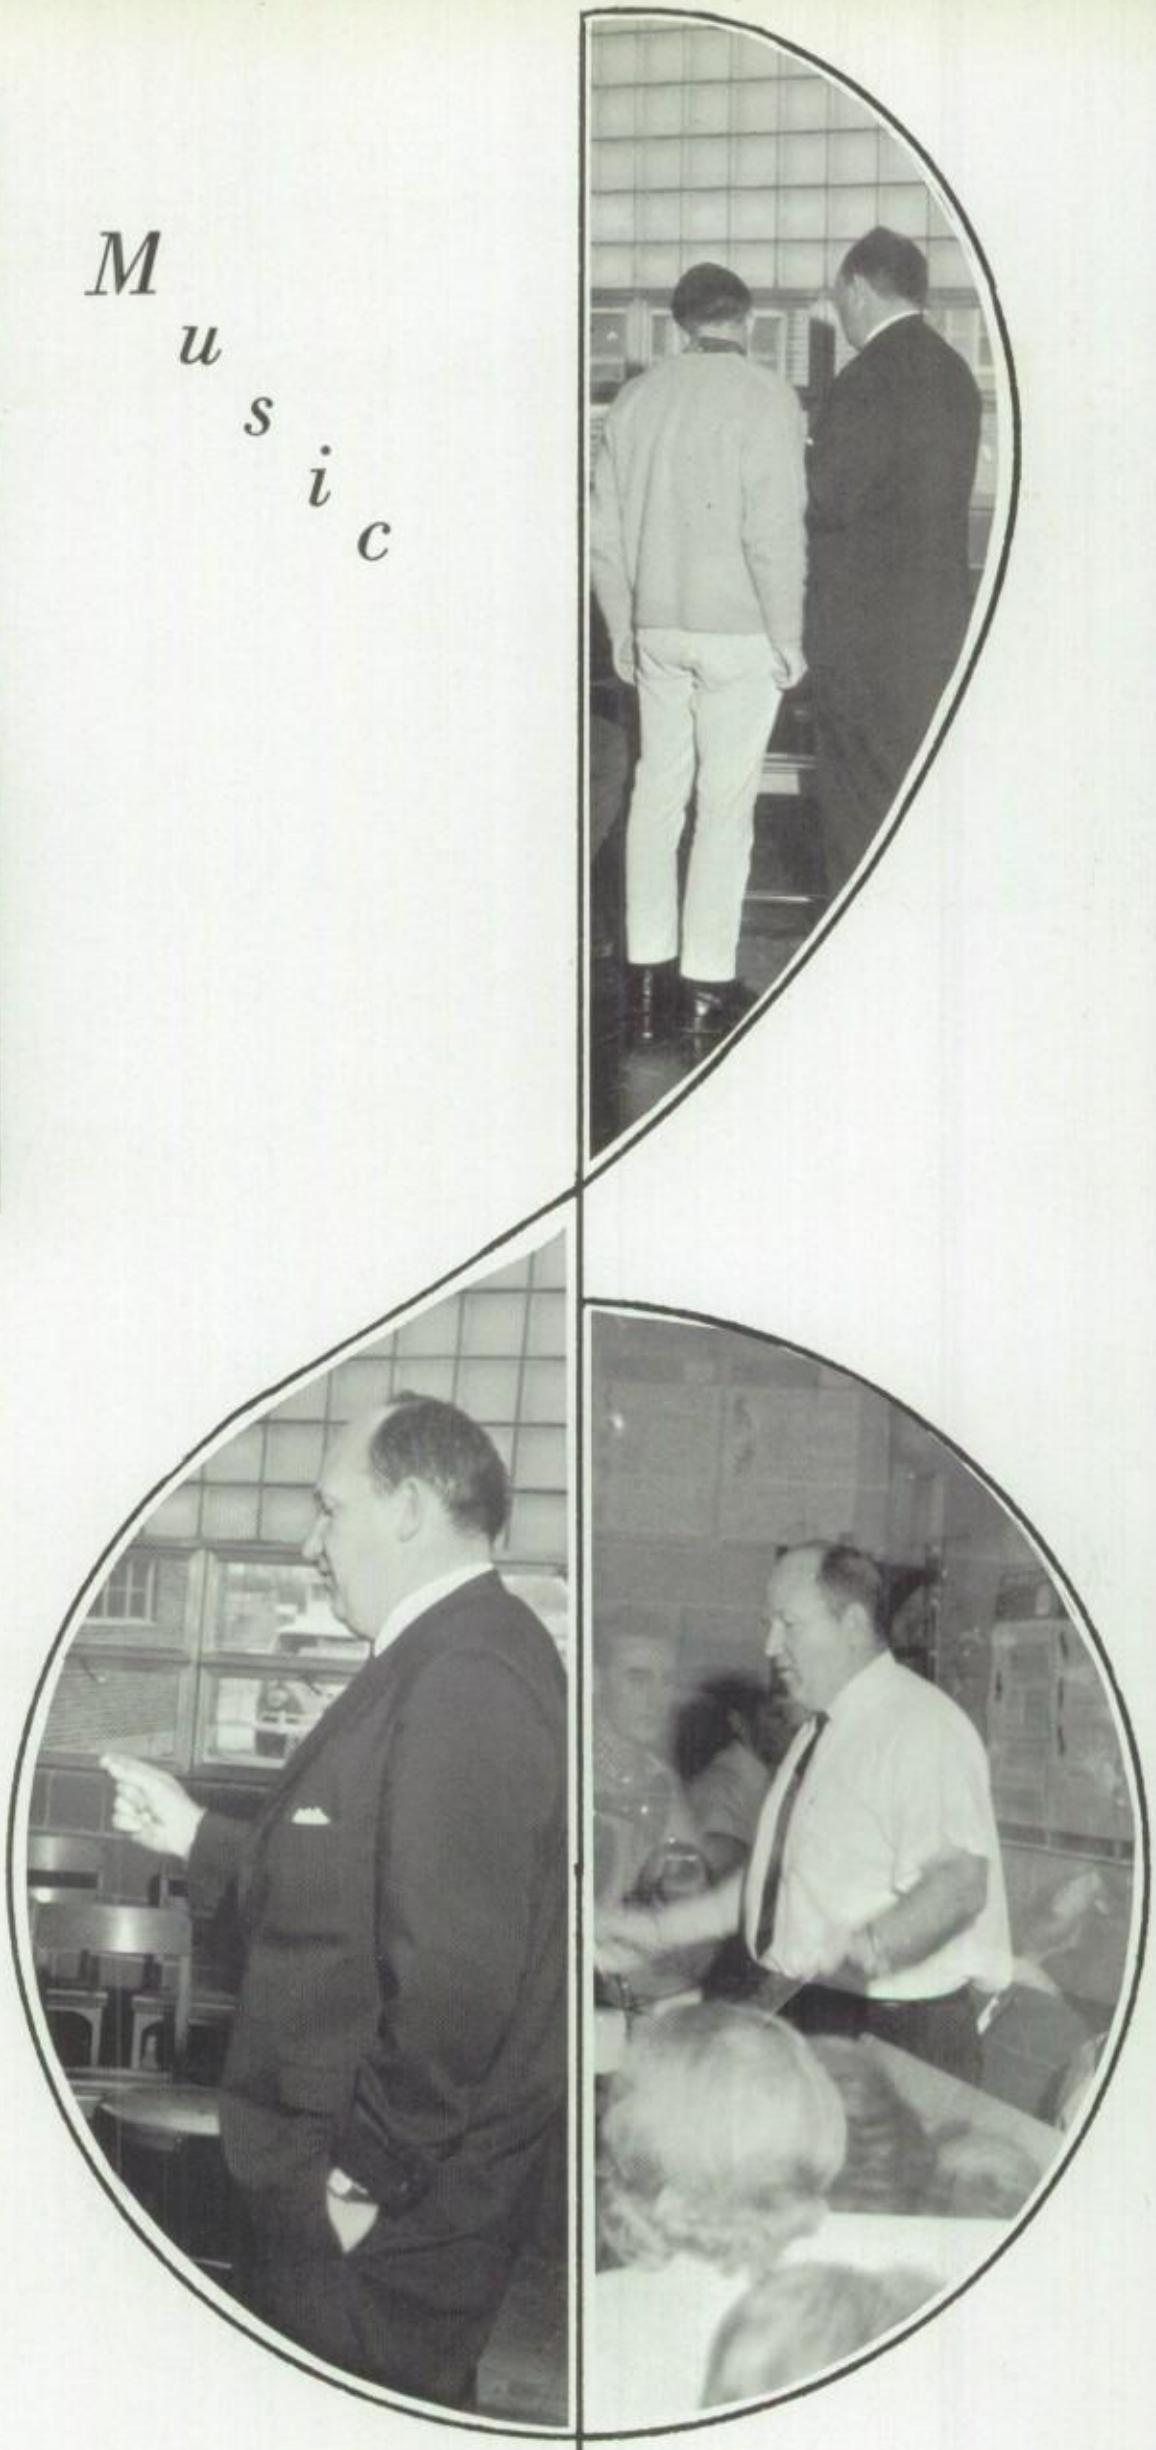
Music



MR. ERNEST OPP
Band, Chorus Classes,
Glee Club, Double Sextette



The music program at Civic Memorial is composed of two departments, the instrumental and the vocal. Mr. Opp heads them both. The instrumental department consists of the concert band, the marching band, and the pep band. Credit is given for participation in these organizations toward an award given at the end of the year.

The vocal department consists of the girl's chorus, the boy's chorus, the glee club, and the double sextette. Credit is also given for participation in the glee club toward an award given at the end of the year.

The future will see an orchestra at C.M. A string program is developing very well at Bethalto Grade School and Wilbur Trimpe Junior High. The future high school orchestra will provide the students, as well as the community, with an acquaintance with some of the world's finest music.

Art

Then Goldilocks . . .

MRS. SHEARY

The Art I Classes are designed to introduce students to the various materials and problems involved in creative activity.

The students in advanced art classes delve deeper into the various art processes. These classes allow the students the opportunity to explore the field in individual projects by choosing materials and subjects that interest them.

The Art History and Art Appreciation courses are geared more toward the aesthetic understanding of the arts. In the History class the development of man's cultures and arts are followed in a chronological order starting with the caveman and following through to modern day. The appreciation course brings about awareness of the beauty in everyday life, stressing the correlation between works of art found in museums and art found in our everyday experiences.

Physical

The objectives of the Physical Education program are to develop ability in the performance of fundamental skills, to gain a working knowledge of the rules required for organized sports, and to develop individual interest in maintaining optimum health and fitness. It provides each individual an opportunity to participate in a program of activities, in spite of his capacities or capabilities.

It develops within each individual such desirable traits as leadership, alertness, self-control, and co-operation in group activities or individual games.

Junior Snapshots

And then one clip here . . .

Are you kidding me?

Do you really think I would make a good ballerina?

A girl!! Where??

Smells good!!!!!

Did the school really burn down?

Yes, . . .

Hard at work

Did you say *all* the stores were out of napkins?

What a joke!!!

Is he still following us? Yes, he's right behind me!

Hmm . . .

Yummy!!!

Dancing?

I keep getting this weird signal!!!!!!!

Was it really that funny?

And you said *I* had a big mouth!

Did he really . . .?

Nobody loves me!!!

He said that I what?

Are you sure Woody Woodpecker started like this?

I really *did* see Batman—right out there!

Hi-Y is a nationwide high school youth movement working for a Christian democracy.

At present there are over 13,000 Hi-Y Clubs in the United States and its territories and in Canada, with an approximate enrollment of 250,000 members. They are the Hi-Y movement.

The purpose is to create, maintain, and extend throughout the home, school, and community high standards of Christian character.

Activities this year include a canoe trip, chili supper, monthly meetings with guest speakers, including Senator Paul Simon, and a field trip to the St. Louis Police Academy. The club raises funds to send handicapped children to summer camp.

This is a program set up by the YMCA for Hi-Y and Tri-Hi-Y organizations throughout the state. The main event occurs on April 29-30 in Springfield, Illinois, when these youth of Ill. run the government. Elected officials take over the political offices and attempt to run the government. The Hi-Y club here at C.M. has two delegates to Congress who are trying to succeed in the passing of a bill which they have drawn up. The bill goes through the same procedure as a real bill does. This is a great opportunity to see and experience our government in action.

Marching Band

The Civic Memorial High School Band is one of the largest groups in the school.

Any Senior High student with a reasonable amount of musical ability may become a member.

The band performs a series of concerts throughout the year, Thanksgiving, Christmas, Winter, and Spring. The band holds an annual tour for which the students make all their own money.

Besides the formal concert performance, the band performs at fall football games and has a pep band at all pep rallies and some basketball games.

Elected Mr. Turkeyman for 1965-1966.

JOAN POWELL

Civic Memorial's Homecoming Queen for 1966, Joan Powell of 448 Prairie Street, Bethalto.

Joan's extracurricular activities are a very important part of her Senior year. This year she is serving as President of Future Teachers of America and Secretary-Treasurer of the Student Council. She is also a member of the National Honor Society and Girl's Athletic Association. Joan also represented her class as a Sophomore and Junior Maid.

Her friendly personality will always be remembered. The class of '66 is proud to have Joan as their Queen.

CANDY NORRIS

Senior maid, Candy Norris, is the daughter of Mr. and Mrs. Marion Norris of 111 Lincoln, Bethalto.

Candy's extracurricular activities include being cheerleader. She is also an active member in Future Nurses of America, Glee Club, Girl's Athletic Association, Dramatics Club, and Office Occupations. Candy represented her class as a Sophomore and Junior maid.

The class of '66 is proud to have Candy as one of our '66 Queen candidates.

NORMA WITTE

Senior maid, Norma Witte, is the daughter of Mr. and Mrs. Joseph Witte of R.R. #1, Bethalto.

Norma's extracurricular activities include being Co-Editor of the Spectator, President of the National Thespian Society, Vice-President of the Senior Class. Vice-President of Latin Club, and Treasurer of Future Teachers of America. She is also an active member of Glee Club, Girl's Chorus, and Dramatics Club.

The class of '66 is proud to have Norma as one of our '66 Queen candidates.

The book is finished and the year draws to a close. Ahead lies graduation, summer vacation, summer jobs, and for many the plans and preparation for higher learning and a college education. The '66 SPECTATOR Staff has sought to build a book which would in a special way reflect Civic Memorial 1966. As the halls grow dim and the classrooms quiet, we hope this book will bring back the memories of this year and hold this living school forever in your memory.

The SPECTATOR Staff of 1966

Dorothy:

To the girl that filled my heart full of thrills since the first day we met. I will never forget this school year so long as I live. Well not the rest of school this year but you were getting out of school two more years to I must you still love you as I have loved you ever since. Now well do I know. I will look into the future with great happiness to see you and seeing you to class each day and going to the library to see you at noon and after school and I will never end now or never. This last 18 weeks I have been the best of my life. I don't know what to write you or the first girl that I have enjoyed being with so much but you are the first girl that I could not find the words to say what happens. You have been the best of my life and I hope I will be able to see you every day for the rest of my life. Because we will know that I love you so much and that we were not getting married. Because I have told you so many times we have been through everything you want. No matter what it is I'm sure you will do the right thing and keep working and saving for some kind of work this summer so you can have a long vacation. I want you to have a good time and get rid of sitting around the house for 3 months like you have been doing for the past 2 years. I want you to know that I will school is out because I see you so much now. And after today there will only be 16 more days left — school. But I hope this summer will be a summer that remains for the rest of my life and if it go the way I plan it will be. Love always. Lovingly.
